

PRODUCT INFORMATION

WE MAKE THE WORLD MOVE

INTERROLL CARTON VERSI FLOW CF 1300

OPTIMISE YOUR PICKING PROCESS

COMPONENTS

Wheels

48 mm diameter polycarbonate wheels provide a large radius for easy flowability.

25 mm wide to provide good support for the containers.

Galvanized steel axle

The galvanized steel crossing axle ensures the stability of the loads.

Entry guide

The order picker is reliably aided by these guide components when loading the wheel track with cartons and containers in line with the lane

QUICK AND EASY IN

CONFIGURATIONS

- Ideal for applications where carton/tote widths vary
- Axle pitch 51 mm or 76 mm centers
- Operating temperature -35°C to +40°C

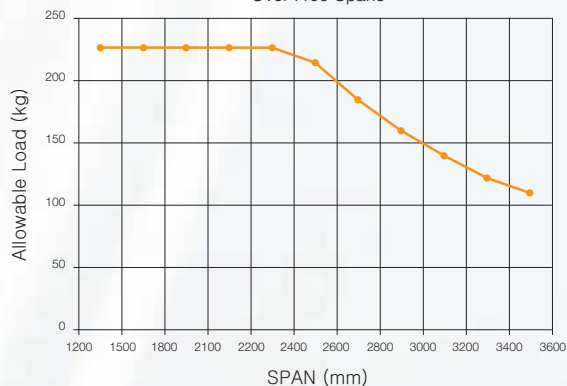

Available in nominal 391 mm and 317 mm widths

Interroll Carton Versi Flow modules are available in any length – no splicing even for long length

Connectors compatible with step beams, box beams and structural beams

Versi Flow: Allowable Tracks Loads Over Free Spans

A 2200 mm module can handle loads up to 227 kg

Obviously please apply practical (ergonomic) rules

Carton Versi Flow from the product family Carton Flow – an economical, versatile product maximizing storage capacity and providing greater ease and speed of picking for cartons and totes.

INSTALLATION FOR OPTIMISED ORDER PROCESSING

Ideal for retrofitting in all existing racking

Before – Static racking

After – Dynamic storage

Carton Versi Flow is ideal for retrofitting in existing selective racking with full width mounting brackets suitable for most support beams.

Small investment for many benefits = Fast return on investment

- FIFO picking of cartons and plastic totes
- Carton Versi Flow shelving offers full bay width access to storage for various sizes of cartons or totes
- Strong polycarbonate wheels resist impact damage and provide long wear characteristics as well
- High density storage with up to 90 % utilization of space
- Strong profile for superior load carrying over long spans (Max. 230 kg per module)
- Easy installation: no special tools required to mount shelf beds into rack
- Assembly: beds are delivered fully assembled
